

SUMMER PARTIES

HERE COMES THE SUN

We're the ultimate London summer party destination!

On top of the UK's largest beer hall and flexible event space, we'll also have our pop-up beach and fish and chip shack, a huge beer garden which gets the sun all day, BBQs, frozen slushy cocktails and ice cold pints.

Book the party, pack the suncream, let's go!

GARDEN

GARDEN

Our large garden is a real sun trap filled with beautiful greenery. You can hire a section for your event or the entire space as part of a whole building hire.

It shares linked access to our Event Space, providing a fantastic indoor/outdoor combination for all events, or a backup indoor space in case of wet weather.

As well as food from our in-house kitchen, we can organise a barbecue, food trucks or even the option to bring your own caterer.

“We worked with Big Penny to host a summer party for a major music brand, and the experience was fantastic. The venue provided us with front and back of house spaces, drinks, catering and much more. No ask was too much, and the team was always friendly, helpful and thorough. The event was a huge success.”
