PERFECT FOR A BIG PARTY

With a total capacity of 1700, Big Penny Social is a vibrant community focused venue which is the ideal venue for Christmas parties of all sizes. On top of the UK's largest Beer Hall and a versatile event space, new for 2024 we have two spaces created specifically for Christmas parties; an enormous igloo for up to 250, and a winter garden with curling lanes, a hog roast and a bar serving warming mulled wine and boozy hot chocolates.

BIG PENNY COMMUNITY

Your party will support those who need it most in our local community as 5% of every booking is used to fund our community initiatives. These remove barriers that stop people coming to amazing communal spaces, enable community spirit and improve people's physical, cultural and mental wellbeing. Your booking will help fund community breakfasts, access to ticketed cultural events for those that cannot afford it normally and provide training and employment opportunities for our community. Now that's worth celebrating.
