# WELCOME TO BIG SWIG BEER FEST

Our annual drinks festival on the August Bank Holiday weekend, Big Swig has one mission: for everyone to have fun and celebrate all that's great to drink. Thankfully there's plenty on offer...

We've partnered with the Society of Independent Brewers again for the south east competition. The exciting new addition is 132 keg beers to choose from pouring through 65 taps (on top of 75 casks) so we're not going to run out of beer, and you're not going to run out of choice!

On our bars we have our own Big Penny beers – check out our freshly kegged Table Beer which packs a punch at 2.9% – and on the guest taps we've selected a few favourites from hundreds of guest beers we pour annually.

We're also joined by some awesome exhibitors from all over the UK showcasing their incredible spirits, beers, cider and even absinthe slushies...woah! We're super thankful to our sponsors and exhibitors – any festival of this size is a massive undertaking and we couldn't do it without them.

Enjoy your drinks and have a great time!

Cheers

Team Big Penny x

We have more beers than taps...a nice problem! If beers share a tap number, it'll pour once the previous beer listed has finished.
